Permission Granted To Proceed With A Secure Certificate Verification System For Santha Rita

Dear Sir,

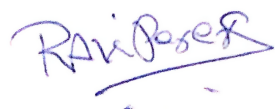

I am writing in response to your solution given in implementing a secure certificate verification system for the Santa Rita Institute. After reviewing your requirements, I am pleased to inform you that we grant you permission to proceed with this project.

We believe your proposed solution fulfills our needs for public accessibility, tamper-proof security features, and tracking visibility. We are eager to get started on rolling out this robust authentication system across our certification programs.

Please confirm once you are ready to begin work on this system integration. We are happy to provide any information, API access or credentials needed from our end to ensure smooth collaboration. We agree with you that building certificate credibility is essential and this verification system will go a long way in establishing trust.

Looking forward to working together on this project. Feel free to reach out for any other details you may need.

Best Regards,

.....
